Dear Affiliate,

We are pleased to announce the 64th Annual Massachusetts AFL-CIO Scholarship Awards Program. All graduating seniors in the Commonwealth of Massachusetts who are seeking a college degree or job training are eligible to compete. Scholarship awards this year total over half a million dollars.

If you do not have a scholarship and want to provide one, please call the office. We are available for help or advice if you may be interested in providing an award to these students as they continue their education. If you already have your own scholarship program and you would like us to add the details to our program book, please fill out the enclosed form and return it to our office.

Once again, exams will be online and will be available starting Monday, January 31, 2022 and Friday February 4, 2022. All students will be taking the test at their high school. The exam proctor at each school will determine the testing date/time that is within the timeframe provided. Students can get further information by speaking with the guidance department.

All applicants must fill out the online application on our website www.massaficio.org/scholarships. The study guide as well as other study tools such as virtual lessons, flash cards and quizzes are available to all students at www.learnlaborhistory.com

Please take a moment to fill out the enclosed form and return it to our office by Friday, December 3, 2021. Enclosed, you will find a copy of our flyer to send to your members. If you need a digital copy, please call the office. Contact Carla Connolly if you have questions at (617)244-8230, or by email to cconnolly@massaficio.org

In Solidarity,

Steven A. Tolman
