MASSACHUSETTS AFL-CIO SCHOLARSHIP PROGRAM

Education is the most powerful weapon which you can use to change the world. - Nelson Mandela

2022-2023

The Massachusetts AFL-CIO and affiliated unions are proud to award financial resources to high school students pursuing trade union programs or college/university study. About 2,000 students take the exam annually to compete for scholarships ranging from \$500 to \$16,000.

In order to be eligible for a scholarship, students must take the Labor History Exam. The Massachusetts AFL-CIO publishes a Labor History Study Guide, which covers a broad range of the history of working people in the United States. The Labor History Exam is administered once per year.

All Massachusetts high school seniors are eligible to compete for certain awards. Additionally, students with a family or personal union affiliation are eligible for awards given by their family's specific local union or central labor council.
